Dear Sir:

In response to the Response To Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures dated March 14, 2002, submitted herewith is a corrected computer readable form copy of the sequence listing, a corrected paper copy of the sequence listing and a Statement of Sequence Listing Identity. The copies of the sequence listing have been revised to omit the automatic "wrapping" which occurred and to correct the designation at entry <223> in SEQ ID NO 8. It is believed that the corrected sequence listing overcomes the informalities set forth in the Notice and complies with the requirements of 37 C.F.R. 1.822 and 1.823.

Please charge any fee required in connection with this Response to Deposit Account No. 04-1133.

Respectfully submitted,

Holly D. Kozlowski
